

Ripon High School

School Site Council Minutes

May 13, 2019

I. Call to Order – Meeting was called to order at 5:36 pm

II. Roll Call

Members present: Keith Rangel, Shawna Valdez, Adam Giedd, Ann Pendleton, Robert Kisse, Mia Benzinger Natalie Betoshana and Hailey Bogetti. Also in attendance was Anne Goodrich.

III. Minutes of the previous meeting, held on March 11, 2019, were read. With minor spelling corrections, Robert Kisse moved to approve the minutes as read. Motion was seconded by Ann Pendleton. Motion passed.

IV. LCAP

- Mr. Rangel has identified an additional classroom for new staff to use starting in the new school year. JROTC will be moving their items to a new on-site storage unit which will free up a classroom.
- Future goal will be for a new science lab; 4 classrooms to house science teachers which would then free up their current classrooms for growth. We will have to wait for new bond measures for that to be possible though.
- Adam Giedd commented that it would be helpful to be able to see how LCAP funds are being utilized at other schools to give a general idea if we are targeting funds similarly.
- New chrome carts are starting to be received. We have 8 new carts coming to RHS. Science Department will be receiving 5 and the other 3, and current carts allocated to the Science Department, will then be distributed to other classrooms. This will happen during the summer after the chrome books have been received and inventoried by Mrs. Ulrich.
- Discussed possibility of selling older, unsupported (Samsung) chrome books. Maybe at a cost of \$50 each? Just enough to cover costs of wiping current info from hard drive. Would need to speak with IT Department and District Office to see if that is an option.
- Side Note – Discussion had about unreliability of WIFI at the school. Concerns included too much time spent trying to connect to the internet.

V. Site Presentation

Ripon High will give their site presentation during the RUSD Board meeting this evening. Administrators, teachers and students will participate in the presentation. The presentation will cover the following;

- MTSS – Multi-tiered System of Support (Tier I, Tier II, Tier III)
- Character Strong – Social & Emotional Program
- ASVAB Testing – First Year done at RHS
- AP
- CAASPP Testing - Below Math standard, but improving / Above English standard
- College & Career Readiness – In the ‘green’ for standards (55.8%)
 - Standards met by students who graduate with a high school diploma plus one of these three things; 3 years CTE / CAASPP proficiency in Math & English / 2 AP courses passed & GPA of 2.0.
- ASB Leadership
- Scholar Athletes

- CTE
- Professional Development
- Student Voices

VI. Medal of Honor

Mrs. Vasche attended a training last month in Southern California for a program centered on the Medal of Honor and character development. We are discussing ways to incorporate the program into teaching and

VII. Homeboy goes to Harvard

Keith gave an update on campus speaker Richard Santana. He was on campus Friday, May 10th to deliver a presentation to some of our EL Students. 'Homeboy goes to Harvard' speaker Richard Santana visited our campus on May 10th to speak with a group of students to raise awareness about issues such as gangs, drug addiction, self-esteem, and all the risks experienced by youth in their school and home communities. He believes that school culture plays a critical role in how these problems are created AND prevented. His presentation was informative, engaging and impactful.

Meeting adjourned at 6:41 pm to eat pizza!
