- III. **Approval of minutes**  
Mrs. B. Machado moved and Mrs. Chakraverty seconded to approve minutes as read. Motion passed.
  
- IV. **Public Comments**  
None
  
- V. **Renaissance**  
Mr. Morrow went over and discussed with SSC members the chart showing percentage of students improving or advanced on CST. He also shared that all students that scored improved or advanced will get a movie ticket and those students that scored advanced will have a pool party.
  
- VI. **School Plan Input**  
Mr. Morrow referred to last year's School Plan which he had e-mailed to SSC members. He indicated that in the previous years any money available was always allocated. However, this year we have approximately \$16,000 of EIA funds available that we can play with.  
  
Mr. Morrow went over the "Expenditures by Funding Source" page which showed money already allocated. SSC members were given a list of items that Mr. Morrow compiled based on suggestions given by our EL teacher and EL aide. SSC members reviewed and discussed the list. A few items were added, but basically everyone agreed that these items would help our EL students and should be purchased.  
  
Mr. Morrow will update list, update the Expenditure by Funding source page and e-mail it to SSC members for review prior to our December meeting where we will vote on approving this disbursement of funds.
  
- VII. **Other**  
Mr. Morrow shared with SSC members that we are looking to rewrite the Tech plan here at RHS. We want to make changes from the system we are to a system where we can create an open access policy here at RHS.

**Motion made by Mrs. Uecker and seconded by Mrs. B. Machado to adjourn the meeting. Motion passed.  
Meeting adjourned at 6:35 p.m.**
