- A representative from Give Every Child a Chance will be on campus TODAY in the Library during lunch to give a presentation on their Employment Mentoring Program. The Employment Mentoring Program is a great learning experience to really understand first-hand the skills and education needed to compete, as well as succeed, in today's job market. This is a 6-hour per week, 6 week commitment program that will provide the student an opportunity to explore various future career interests, along with a chance to observe what really goes on in the work place. The program gives you the opportunity to meet individuals in the job force with the possibility of future employment. Please see Mr. Morenzona in the counseling office if you have any questions. /Morenzona/6
- There will be no Financial Foundations Club this week, we will continue meeting the week we get back from Christmas break./Mayfield/1
